Dear Friend,

On Friday, September 18, 2026, Samaritans Southcoast will host **Stand Up for Every Voice**, an evening of comedy, community, and hope supporting our lifesaving suicide prevention and crisis services.

For more than 43 years, Samaritans Southcoast has been there for people facing emotional distress, mental health challenges, and suicidal thoughts. Today, we proudly serve as **Massachusetts' full-service 988 agency**, providing call, text, and chat support across the Commonwealth 24 hours a day, 7 days a week.

Last year, our team responded to more than 40,000 contacts through 988 and related services. We also provide support for survivors of suicide loss, community education and outreach, and innovative programs such as Care Calls for older adults.

More than 225 guests are expected to attend Stand Up for Every Voice, featuring nationally recognized comedians, exciting auction items, and inspiring stories of hope. Proceeds will help ensure that every caller, texter, and chatter receives compassionate support when they need it most.

We invite you to review the enclosed sponsorship opportunities and consider supporting this important event. Together, we can ensure that every voice is heard and that hope remains within reach.

With gratitude,

Darcy H. Lee  
Executive Director
